## Candidates Working Voters "Early And Late, Hard And Fast" In Vigorous Effort

Glades Men and Women Giving Coast Voters "The Works" In Roberts - Elliott Race

"Television, telephone, telegraph, tell-somebody else" is the motto of candidates and their supporters in the two important run-off elections in this community.

Last Saturday a group of sixty-two men and women met at the Bend, at a luncheon to bring into organized and active efforts Roberts' campaign in the county, with George Wedgwood and Vernon Dexter as Co-Chairmen.

Groups are visiting the Coast communities in a house-to-house canvass, and in contacts with organizations and groups. Leaflets and cards are being distributed.

The Odham leaders are attempting to switch their allegiance to the Senator in the Governor's race, and the Senator's supporters are busy having meetings and arranging workers to voice the virtues of their candidate summed up in the slogan, "good, clean and honest government."

"The Man Of Action," Charley Johns has enthusiastic supporters pointing out the bridges and roads now being constructed in the Glades and laughing at the Collins question of "Where's the money coming from?" The four lane highway (Continued on Page Four)

## Wednesday Sale Largest With 392 Animals Sold

Week's Total Near Top Record For Local Market

With the demand for stockers strong, both on Monday and Wednesday, a total of 1188 animals were disposed of this week at the local livestock market.

On Wednesday, the largest Wednesday sale so far, buyers for both stockers and slaughter animals were on hand, for the 392 offering.

Slaughter steers were 50c to \$1.00 above last week's average and slaughter demand went un-filled.

Monday, May 10, 1954  
790 cattle, 454,203.15  
402 steers, 40 calves, 18 bulls, 106 heifers, 21 cows, and 19 yearlings.

Stockers: 10.75-15.00-17.75, 17.75-14.90, Heifers: 8.25-13.75, Calves: 9.00-11.00, Cows: 8.00-11.50.

## The Senator Does Some Promising Too

In a well modulated and very fatiguing voice Senator Leroy Collins hammer home his "good clean and honest government" very effectively.

The Senator has been short on promises to the delight of his local supporters. But, according to news reports, the Senator has entered the "promissory" column, not locally, but in Pinellas and Hillsborough counties.

The report is that the Senator has promised to duplicate the Gandy Bridge across the Bay from the Glades to the St. Pete side, at a cost of many millions.

The Senator has explained that Charley Johns hasn't the money to build the roads and bridges which he has instituted. The Senator hasn't explained just where he's to get the millions to build the Gandy bridge.

How many roads and bridges the Gandy Bridge money would build for little folks around the state would be interesting to speculate.

## Building Offered By City As County Sub Courthouse

The Belle Glade City Commission Wednesday night passed unanimously a resolution offering the old Police Building to the County as a Glades sub-courthouse.

This building, which has more recently been used by the Water Works, has a large lobby and several rooms which may (Continued on Page Four)

## Audience Applauds Lion's Glee Club Concoville Follies

Miss Marian Nejarian, Director, presented the third annual musical, "Concoville Follies" to a crowd and appreciative house Tuesday night at the High School Auditorium.

With a group of black-necked Gargula Boys, acting as End-men to Interlocutor Ed Lively, wit and humor were portrayed in a professional manner and to the whooping delight of the small fry as well as the more seasoned audience.

The youngsters themselves, even the third graders, contributed to the merry-making and musical talent, both vocal and (Continued on Page Seven)

## W. F. Crider Rites Held In Miami

W. F. Crider, Executive Secretary of the local Chamber, presiding over the Wednesday night session of the local Chamber, presiding over the Wednesday night session of the local Chamber.

Last rites for William (Bill) F. Crider, 38, who died at Duke University Hospital last Friday morning, were conducted at St. Paul's Lutheran Church in Miami Tuesday at 2 p.m., with the pastor, Rev. Carsten H. Luder and Rev. Robert Ford, pastor of the Everglades Presbyterian Church of Belle Glade, conducting the services.

Mr. Crider was a native of Crestline, Ohio, and came to West Palm Beach when he was five years old. He was a veteran of World War II, and came here in 1946, was engaged in the restaurant business until 1951, when he entered the produce harvesting business.

An active member in city affairs he was elected Mayor in 1950 and also served as commissioner. Paying tribute to Mr. Crider the flag at City Hall was raised to half mast this week.

He was member of the Everglades Presbyterian Church, American Legion Post 20, the local Elks Lodge, and past director of Chamber of Commerce.

Survivors are his wife, Mrs. Helen Crider, son, Frankie, daughter, Mary Elaine, mother, Mrs. G. C. Crider, Miami; two sisters, Mrs. Jane Skinner, Miami and Mrs. Paul Mahan, Bonaire.

Honorary Pallbearers were Harold Rabin, William Graber, Rudy Corbett, and C. D. McClure.

Active pallbearers were Robert Lanier, F. M. McAllister, Joe N. W. Cunningham, Harry Bush, Louis Kirchman, and Joe Zelman.

Graveside services were conducted by Rev. Ford at Flagler Memorial Cemetery.

Arrangements were in charge of Van Orsdel Mortuary, Coral Gables.

## Cattle Parasites May Be Controlled Rotary Is Advised

A scientists turned salesman told Rotarians Friday that "Florida is exceptionally ideal in that Nature provides ideal conditions here for a pest that is practically universal" during his discussion of "Care and Elimination of Livestock Parasites."

He continued, "practically, we cannot immunize our cattle or eradicate the pest; we can keep it on a low level."

"Parasites do more than eat and reproduce; they damage their hosts in various ways; retarding growth, producing pathological symptoms and disease, and sometimes kill them. Some-times pneumonia follows."

The owner of a severely infected herd is easily convinced to treat and set up preventative measures, often unfortunately only after he has already sustained a sizeable loss.

"As in the case with swine, however, the widespread unfortunates due to low-grade parasite infections is not easily recognized."

What May Day Should Mean To America  
In America May Day, is a very happy holiday. Winter is over and the sun is shining over and leads and leads every day in their finery and spend the day dancing. Swains give their ladies flowers and the fairest lady is chosen queen of the day. Games, games and other complete the day.

Day festival stems from the dances and celebrations held in honor of a Roman Goddess. These dances were held at the first sign of spring which appeared around the first day of May.

Somehow along the line someone got the idea that May 1 should be an annual holiday and therefore is known and celebrated as May Day.

To Russia May 1 is an International Labor Day. It is celebrated by endless parades in all cities of Soviet Union. In Moscow, from dawn to dark, after a series of stately marches in endless procession carrying red banners and huge pictures of Karl Marx, Lenin Stalin and other communist heroes. High planes are flown (Continued on Page 7)

### MARIAN LEE NALL TO WED HORACE HARRIS

Miss Marian Lee Nall has announced plans for her marriage to Horace William Harris, of Belle Glade, which will take place at 4:30 Sunday afternoon, May 30th. The ceremony will be performed in the First Methodist Church, Clewiston, by the Rev. Quay D. Rice, pastor.

The bride's attendants will be her cousin, Mrs. George L. Sims, Jr. as matron of honor, Mrs. Sidney Caruthers, sister of the groom, Miss Betty Harn and Miss Earline Harn, as bridesmaids.

The groom will have his brother, Rescoe Harris, as best man. Ushers will be Clarence Lee, Fritz Stein and J. A. Tedder.

All friends are invited to attend the ceremony and the reception, which will be held immediately afterwards, at the Clewiston Inn.

**CANDIDATES WORKING** (Continued from Page One) which was belatedly endorsed by the County Commission in Thursday's news is being used by the Johns forces as an example of action by their candidate.

Altogether the Glades has on one of those rare enthusiastic periods of political activity and every voter most likely will be asked to vote some way this year, and given plenty of reasons why the particular candidate should be elected.

**BIRTH ANNOUNCEMENTS** May 6 — Mr. and Mrs. Floyd Browning (Ernestine McAlum) announce the birth of a daughter, Brenda Fay at the Belle Glade Memorial Hospital.

**MRS. BILL GRABER CASHES IN HER BOWLING AILITY** Mrs. Bill Graber and her partner Mrs. Marge Schmitke were winners of \$200 in cash in women's double "Take All" bowling tournament at the Carefree Bowling center Sunday in West Palm Beach.

**BUILDING OFFERED** (Continued from Page One) be used for the several departments of the County government.

This is in line with the announced policy of the Commission to make it easier for Glades folks having business with the County officials to transact routine business without the 88-mile trip to town.

The Commission also set May 27th as a holiday day for the owners of a number of condemned buildings.

Turned over to the City Manager the question of completing the Port of Belle Glade facilities, particularly on work to be done by the Port of Palm Beach Authority.

Discussed the practicability of using a fogging machine for mosquito prevention in the City, but okayed the continuance of plane dusting until the matter is settled.

**HOSPITAL NOTES** Medical patients at the Belle Glade Memorial Hospital are Franklin Howell, Fred Ogil and Ronnie and Steve Gamble, sons of Mr. and Mrs. Rex Gamble.

### MANY VISITORS ATTEND HOSPITAL OPEN HOUSE

Open house was held Wednesday afternoon from 2:30 to 4:30 pm at the Belle Glade Memorial Hospital, in observance of National Hospital Day, and honoring the birthday of Florence Nightingale.

Receiving the guests were Mrs. Herman Baxt, Mrs. Ralph Pipes, Mrs. Harold Rabin and Mrs. Herbert Beck, wives of physicians and hospital board members.

Beautiful arrangements of garden flowers, roses and hibiscus were placed in the newly redecorated nurses lounge, children's ward and throughout the entire hospital with the Belle Glade.

All friends are invited to attend the ceremony and the reception, which will be held immediately afterwards, at the Clewiston Inn.

**PIONEER 7 — ELKS 5**  
Johnny Thomas pitched beautifully but was forced to accept defeat in the game Saturday night. Pioneer catcher Billy Jones seemed to have something against Thomas and used his bat to express his feelings. Johnny served up only two hits to batters other than Jones. Billy Jones opened the attack in the first inning with a solid two base run. In the 3rd frame he added a single, and then in the 5th he slammed a home run to finish off a perfect evening at bat. Jones also scored three runs for the Growers.

Jimmy Webster gave up one hit in four innings for Pioneer and Charles Royal allowed two more hits as he finished the game. Webster struck out nine and Royal seven in the Growers' winning effort.

For the losers, Johnny Thomas added his own effort with a single and a single. The only other hit was a fifth inning single by Arnold Smith which drove in one run. Thomas fanned 14 Elks batters.

**KILGORE 6 — JAYCEES 4**  
Four hit pitching by Gary Perkins effectively throttled the Jaycees Saturday night at Belle Glade. Perkins fanned 14 Jaycees batters as his team mates banged out ten hits off Kenneth Sands and Tommy Parker.

Mike Challinor held the big stick as he rapped a single, double and triple in 4 turns at the plate. Edward Humphries collected a double and a single and Walter Ashley 2 singles to aid the attack.

The Jaycees could not solve the curve ball antics of Gary Perkins. The five Jaycee hits were distributed one to life customer. Only Morgan Tyson's 3 bagger and David Binkley's double went for extra bases.

**ELKS 3 — KILGORE 4**  
The Pony League Elks bunched their scoring efforts into two big innings, the 3rd and fifth to win a close decision over the Kilgore seedmen. Kilgore Manager, Robert Anderson played the game under protest from midway in the Seedmen's half of the 7th inning. A real big league type rhabarbar occurred following infield fly ruling by game officials. Derrel Mathis limited the losers to only 2 hits all singles as he struck out 10 and issued 6 walks. The Elks furnished Mathis very nice support in the field.

The winning Elks collected only four hits off two Kilgore pitchers. Johnny Thomas hit the big blow of the game, a triple in the third inning to drive in the first run. Two walks and a hit batsman followed by 3 consecutive singles in the sixth secured up the victory for the Elks.

**PIONEER 7 — JAYCEES 5**  
Heavy hitting by Billy Jones and Charles Royal made the big difference as the Pioneer Growers won their first game of the season over the league leading Jaycees. The loss was the first for the Jaycees. Officially the result was reversed as Pioneer used fill-in. Jones and Royal both slammed home runs in the first inning and followed with doubles in the later innings. Alvey Early hit a double and a single to join the hitting parade.

Royal pitched 5 hit ball, giving up only two extra base knocks, a double by Glen Hogge and a triple by Tommy Johnson. Kenneth Sands started on the mound for the Jaycees, but was in trouble in the 4th frame and gave way to Glen Hogge. Tommy Johnson also came on in the 4th to put out the fire. Johnson finished the game giving up only 2 hits.

our lack of opportunities. Sometimes we make the flimsy excuse that we're too busy to take part in a proposition of this kind. Truly, we realize that everybody is busy these days. But according to the writer's observations it is the busiest people in every community who invariably win the biggest prizes.

Sometimes too, while taking stock of our blessings, we mistakenly claim that Old Man Opportunity must have passed our door. However, such claims rarely ever are based on facts. Instead, we simply failed to recognize and seize opportunity when presented to us. Isn't that true?

**Meet Opportunity**  
Dane Fortune is now knocking on your door. She is literally pounding upon it with both hands to awaken you to the opportunities existing in The Herald's big "Everybody Wins" prize subscription contest to utilize whatever spare time you will have during the next few weeks toward winning prizes worth thousands of dollars. Greet this opportunity NOW—before it becomes too late—and make the most of it.

Remember, it costs absolutely nothing to try. Remember, too, that anything worth having in this life is worth striving for. Just a few short weeks of interest and effort on your part and you may be riding in your own new Chevrolet, worth a small fortune on today's market.

**Yes, Yes, You Can Win!**  
It will be observed by the first list of entries appearing on the front page of this issue that only a comparatively few have entered for the race so far. These are too few entries, in fact, considering this extensive area to be covered, its population and the magnitude of this prize offer. And it is by no means too late for anyone with sufficient ambition to bestir themselves a bit and share in the distribution of prizes to be awarded just six weeks from this Saturday noon which is June 20.

Next week, when a more complete list of entries is announced, marks the real beginning of what is destined to be a most interesting and highly profitable competition among all people in this area. Make up your mind right now, this Saturday noon which is June 20.

## "GAIETY - JOY MARKS"

Queen Terry Tucker and King Ronnie Thomas selected over May Day Festivities at the high school auditorium Thursday, May 6.

Gaiety - Joy Marks  
May Day Festival

The May Day Festival as designated as Health Day representing fun, joy and benefits of outdoor sports was carried out in a colorful May Day theme, April Showers at the High School Auditorium Thursday afternoon.

Terry Tucker was crowned Queen by King Ronnie Thomas in a gay but impressive ceremony, and presided over the festivities. Attendants of the court of the king and queen were Susan Clark, Phyllis Buss, Paula Parson, Sidney Pearce, Linda Close, Douglas Thompson, Harry Wynn and Charles Lockmiller.

Heralders were Johnita Turner, and Jimmy Johnson and flower girls, Karen Kimball, Mary Lee Michael and Linda Kessler threw rosebuds in the path of the queen. John Bamford was crown bearer and assisting the queen were train bearers, Sharon Amedee and Patsy Parrish. Russell Barry as jester entertained the court with merry antics.

After crowning of Queen the subjects danced and sang for their royal pair.

"Hop goes the Bunny" (Roses with umbrellas), "Walking Dolls, (I have a little Doll) and "Shoo Fly Don't Bother Me" was presented by the first grades under the direction of Mrs. Burry.

Members of the second grades were daisies and presented a dance "How Do You Do My Partner", under the direction of Mrs. Herman Close, Miss

Among couples of the fourth grade presenting original dances to the tune "Hark to the Song Bird" in the May Day Festival were, left to right, Gloria Smith, Bobby Stratten, Iris Blum and Corby McKee.

Binkley, and Mrs. Lloyd. "Butterflies" and "Happy and Bright Are We" were songs presented by third graders while the butterflies twirled, followed by the ballet girls with the boys marching.

Fourth graders presented original dances and singing of "Hark to the Song Bird". They were directed by Mrs. Bamford and Mrs. Christ.

The fifth grade joined in the merriment with a square dance

and the winding of the two Maypoles of three different types, Crisscross, basket weave and spiderweb. Mrs. Gove and Mrs. Lender supervised these entertainments.

Miss Gail Allison acted as narrator. Mrs. Davidson and Mrs. Hub Spooner, sixth grade teachers were in charge of decorating the queen's throne.

Miss Marian Najarian deserves much credit for the success of the festival.

Buick now outsells all other cars in its price class and above

You've probably noticed it right in your own neighborhood.

Right now Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening? Folks in growing numbers—(and maybe you'll be joining them soon!)—are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1964 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price three."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years—the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before—with record-high V8 power, with the sensationally smooth

whip of Twin-Turbine Dynaflow,\* with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match—with prices starting near the "low-price three"—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you?

Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

\*Standard on Buick Wildcat, optional on other Buicks.

## New 1954 All-Nylon Cord Super-Cushion

Costs only a few  
dollars more than  
a standard tire!

No other tire at or near its price can match it!

1. Hits test curb at 35 mph! Not a cord broken! This is just one of the punishing tests this All-Nylon Cord Super-Cushion has taken! In fact impact blowouts are almost unheard of with All-Nylon Cord Super-Cushion.
2. Up to 12% more mileage! This mileage boost comes right on the heels of a 21% increase in 1953. Total . . . almost 1/3 more safe mileage than most motorists ever experienced before! That's a real saving in your driving costs.
3. Quieter ride! 15% greater traction! That squeal on turns has been practically eliminated by a new anti-vibration tread design. And this new tread has 1806 inches of non-skid edges, 880 deep-cut safety slots for 15% greater skid resistance.

Even more mileage  
than last year!

Quieter ride —  
less squeal on  
turns!

Much greater skid  
protection.

There's a big difference in Nylon cord  
Only Goodyear has Triple-Tempered 3-T Nylon!

Nylon is the best tire cord — if the stretch can be controlled. To control the stretch in Nylon cord, Goodyear has developed an exclusive process of chemically treating the cord and then putting it through a triple tempering process involving Tension, Temperature and Time. The result — Goodyear's Triple-Tempered 3-T Nylon Cord — the Nylon cord that is fully controlled at its point of maximum strength and resiliency.

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need. They have found that Ford offers exterior beauty that has set the trend for the industry . . . interiors that are so colorful and in such good taste that just sitting in a Ford is fun.

If you're in the market for any new car, you'll be missing something if you don't come in and value-check a Ford point by point. And when you Test Drive a Ford and find out what a brilliant performer it is, you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place, Ford offers the two most modern engines in the entire industry: the completely new 130-h.p. Y-block V-8 and

the outstanding new 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension. This amazing new principle provides a degree of handling and riding ease that cannot be equalled in any car without this new suspension system.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

And consider these facts, too. Ford is a completely modern car. The advanced line-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

Why not accept our invitation to Test Drive a '54 Ford. We believe that you've never driven a car in Ford's field that is in any way comparable.

The fifth recommendation which was to continue PTA meetings in the afternoon at 3 pm with the exception of special meeting at night, was tabled until fall.

Hostesses were Mrs. Harry Blum, Mrs. Clyde Doolittle, Mr. and Mrs. Vernie Boots. This meeting marked the final one until fall.

**AN OPPORTUNITY  
FOR ALL OF US**

It has been our contention, and the National Rifle Association has vigorously pursued the objective, that a proper interest in firearms and shooting by young people is something to be encouraged and promoted in the interests of healthful recreation and good citizenship.

Our Junior program goes back to 1907 when the bylaws of the Association were amended to provide for the affiliation of rifle clubs from schools and colleges. At the same time new medals and a classification, called the Junior Marksmanship, were adopted. In 1923, the program gained added impetus when at the request of the Winchester Repeating Arms Company, we took over and expanded their Junior Rifle Corp. program.

Since that time, each year has found the NRA investing more effort in the sound and essential task of making it more convenient and more rewarding for young people to learn to shoot safely and accurately.

Although hunting is near the top as the safest of sports we have never ceased to believe that accidents with firearms can be reduced by a widespread program of education and training. Our views on this subject are shared by leaders in the fields of conservation and education, and by many forward-looking law-makers. These people, as does the NRA know that the future of hunting, in a large measure, is tied in with the conduct of those who go into the woods and to the fields and shores in lawful pursuit of game.

Every accident involving a hunter and his gun is publicized to the extreme by the newspapers and by many magazines. This sort of adverse publicity cannot be 'justified' away by pointing to the actually demonstrable safety of the sport. Nor is anything accomplished by charging the news gathering and disseminating sources with overplaying or unfairly presenting accounts of hunting accidents.

The concrete refutation to much of the strong criticism that is leveled against legitimate gun users, because of accidents in which firearms are involved, lies in a program of constructive action.

It was a milestone in this organization's history when in 1950 the New York State Hunter-Safety Law was amended to designate the National Rifle Association as an official training and certifying agency.

Immediately, the NRA prepared a course of instruction and other necessary materials. The instruction and testing of young people, as a prerequisite for their receiving a 'first' hunter license, was done on a voluntary basis by NRA members who had been certified as qualified NRA Hunter-Safety instructors by your Association.

To date in New York State alone 2,006 NRA certified instructors, during the past four years, have indoctrinated some 54,000 young hunters in the essential factors of safe and proper gun handling. A far bigger job lies ahead, however, which will require many times that number of instructors if we are to teach these same essentials to many more untold thousands

of our youth who should receive the benefits of this program.

With the assistance of the NRA, California and New Hampshire are now operating state-sponsored Hunter Safety programs. Maine, Massachusetts, New Jersey, Ohio, Michigan, Wisconsin, Idaho, Oregon, Washington, Mississippi, and several other states, impressed by the gratifying results that have invariably followed the adoption of this Hunter Safety idea, are embarking on the same or similar programs.

This Association, representing the hard core of responsible gun owners and shooters in this country, now has the finest opportunity since it was founded to demonstrate its importance in the field of public service.

However, we must increase our income, and we must find more trained personnel than are currently available, if we are to respond in full measure to the many calls we are already receiving for assistance in settling up and carrying out this Hunter Safety Program.

The money must come from the addition of new members to the rolls. That is why we are constantly emphasizing that our continued growth depends to a large extent on each member turning up a new member who is interested in the National Rifle Association and the services it provides.

It is membership dollars that have made it possible to prepare and distribute the millions of pieces of literature which have been furnished the schools, clubs, service and veterans' organizations, camps, and participating individuals.

The additional personnel must come from enthusiasts among our membership who are willing to do their part to make hunting a safer sport by becoming instructors.

THE problem of having instructors available to meet all demands was a recurring subject in many of the sessions and

open discussions at our 1954 Annual Meetings. It became increasingly evident as more facts and figures were assembled that emphasis must be placed upon having the present group of instructors teach others to be instructors. By operating in that manner we multiply our ability to teach the many young people who are fast coming along.

Today there are 22 million young people in the ten to nineteen-year age group in this country. Twenty years from now there will be more than 38 million in the same age group. Clearly, this great task is an opportunity for all of us who believe in the future of shooting to demonstrate that our interests are anything but selfish.

It is also a challenge. It is a challenge to the National Rifle Association of America. It is a

challenge to every single individual who is a member of the NRA. As gun owners and hunters, we are charged with the burden of keeping our own house in order. We must accept this challenge if we are to insure the continuance of our sport for the generations to come.

Cut in Federal Excise Tax  
Means You Pay Less for  
Every Long Distance Call

Now you can keep in touch with distant friends or loved ones at even less cost since the reduction of federal excise taxes by Congress on April 1. Instead of paying a 25% excise tax (15% on calls under 25 cents), you now pay only 10% on all Long Distance calls.

Today, why not enjoy a Long Distance telephone trip? Someone will appreciate hearing your voice, and you'll enjoy hearing theirs. It means so much to keep in touch—and now it costs even less by Long Distance. Call your friendly Long Distance operator for rates.

New driving ease!****New Chevrolet Trucks...**

do more work per day... more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clanking. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. Makes pickup bodies are deeper... new cabs and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

You save on operating costs. High-compression power saves you money! The "Thrifmaster" 235" engine, the "Loadmaster" 235" and the "Jobmaster" 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Come in and see how much you're ahead with America's number one truck. You'll like the way we're talking business!
